**At Scottsdale Executive Flight Training, you only pay for what you actually use.**

**No bundled costs, no surprises—just a straightforward, cost-effective way to fly at your own pace. Fly smart, train efficiently, and get the most value in our well-maintained aircraft.**

## *The **lowest costs** in Deer Valley!*

This cost estimate assumes the student has already completed the time-building phase of flight and will meet the 250 total flight time requirement by the end of the Commercial Pilot Program.

This cost estimate assumes the minimum flight hours required by FAA Regulation.

The cost of fuel is subject to change at any time and will match our provider's retail fuel cost.
